

**Abuse is NEVER
your fault!**

**Does your partner...
Threaten you? Embarrass
you in public? Push you?
Force you to have sex?
Hit you? Shove you?**

**If you answered yes to
any of these you are in
an abusive relationship.**

Physical and sexual abuse affects women of all ages, race, sexual orientation, and educational levels. Abuse may begin or get worse with pregnancy. If you believe you are in an abusive relationship talk with a healthcare provider and/or call one of the numbers listed below.
